Anne-Wil Harzing - Sat 6 Feb 2016 16:10 (updated Wed 6 Mar 2019 11:50)

Are you **applying for tenure, promotion or a new job**? Do you need to prepare for your performance appraisal? Publish or Perish is designed to help individual academics to present their **case for research impact** to its best advantage, **even if you have very few citations**. You can also use it to decide **which journals to submit to**, to prepare for a **job interview**, to do a **literature review**, to do **bibliometric research**, to write **laudatios** or **obituaries**, or to do some homework before **meeting your academic hero**. Publish or Perish is a real **Swiss army knife**.
