

Deposition of a printed copy of your Thesis

I hereby declare that I will deposit a printed copy of my thesis within a week of receiving the library's approval of my electronic copy.

Within this time, I will return all my loaned-out books and settle any outstanding fines both from the Bar-Ilan libraries and from any other academic library I may have gotten loan permission from.

I am aware that I will not receive final approval of my degree until completing all the above.
